

RRHBA Member Benefits

3-In-1 Membership

Includes membership at local, state (HBAV) and national (NAHB) levels.

NAHB & HBAV Discounts

Members are instantly eligible for local and national discounts.

Home Shows

Each year RRHBA manages an industry related trade show at the Salem Civic Center where exhibitors are able to share their products and services with the general public. Members get a discount on entry fees and first choice on booth space. NAHB also annually hosts The International Builder's Show, which is the largest light construction show in the world, drawing 50,000 visitors from more than 100 countries.

Networking Opportunities

Throughout the year RRHBA hosts numerous events including Business Links Networking, Annual Golf Classic, Membership Meetings, Bowling Bash, Home Shows, and much more. You will have the opportunities to meet, learn from, and market your business to the most successful and powerful players in the home building industry in our region. Take advantage of the opportunity to develop lasting business relationships and participate in the continued success of the Association.

Educational Programs

Enjoy opportunities throughout the year to grow yourself professionally through the multitude of educational programs offered including Certified Aging in Place Specialist (CAPS) certification, CPR and First Aid Courses, Technology Updates, Lead Renovation, Repair and Painting (LRRP) Refreshers, and more!

Website Visibility

All RRHBA members are listed on our website which allows consumers to easily search for all their home-related needs. We also feature members in our newsletter, on social media, and through sponsorship of events.

Monitor & Address Legislative & Regulatory Issues

Government regulation can have a tremendous impact on your business. RRHBA and its affiliates promote legislation favorable to affordable housing on the local, state, and national levels. For example, in the past 15 years, HBAV lobbyists and advocates have

RRHBA Member Benefits

pushed for and successfully seen 55 bills pass that benefit builders while defeating 72 bills that would have negatively impacted the industry.

News You Can Use

We strive to keep you up-to-date on all issues affecting the industry whether on the state, local, or national levels through our eNewsletter, The Nail Keg.
